Your contribution to help cover the cost of special Facebook and Instagram advertising for your Lecture and/or Church Services **should be in addition to your ongoing support of other Joint Media activities.** Joint Media provides a 24-hour telephone line with over 9,000 calls a month. Callers have access to the Weekly Bible Lesson, El Heraldo Radio edition, Sentinel Watch and Daily Lift. We also promote the PrayerThatHeals.org website, and its Spanish counterpart, LaOracionQueSana.org via Google ads; advertise Thanksgiving Services throughout Southern California; and pay for radio time for the weekly El Heraldo program. Your ongoing support is needed and appreciated.
