What's in Your Suitcase?

What is your story?

- *What do you carry with you that helps you define your day? semester? year?*
- *What do you “pack” in your mental backpack that supports your experience?*
- *What do you “pack” that limits your experience?*

These are some of the questions we will dive into as we think more carefully about what is in our suitcase ... what are we bringing with us each day and into any new experience.

This is the first of a six part Speaker/Workshop series for teens (13-19) on Zoom.
