20s, 30s & Older Teens Invited
Dinner Included Before the Talk

ABOUT THE SPEAKER: DAVE HOHLE

Christian Science Practitioner & Teacher from Chicago | Member of the Christian Science Board of Lectureship

Dave shows how cultivating our spiritual view - true vision - enables good to unfold in unexpected ways. He connects timeless insights from the Bible with current examples of how learning more about God heals bodies and transforms lives.

Sponsored by the Christian Science Organization at UCLA, Christian Science Churches in Beverly Hills & Westwood, and Asher Student Foundation
